## WHAT WE DO:

**Financial Support:** WMB provides supplemental support for student activities, fees and general program and equipment needs. Fundraisers are held throughout the year to cover these needs.

**Volunteer Organization:** WMB provides volunteers to help with concession sales and hospitality needs; and chaperones for trips, performances and competitions away from school. Volunteers play a major role in our Westside Salutes America Concert held in November as well as the Spring Banquet. We also assist the directors in recruitment events for Middle School students. *You are not required to volunteer.*

**Scholarships:** A limited number of scholarships are available to graduating seniors planning to major in music.
